**CONTRACT NO. 4400005660**  
**RETAINER CONTRACT FOR ELECTRICAL SERVICES**  
**STATEWIDE**

- Q1: The advertisement states under evaluation criteria, number 4 past performance, “all respondents will receive a 4”. This does not seem consistent with DOTD policies, as these type of contracts have existed for some time and Consultants have been rated.
- A1: The Consultant’s past performance as determined by the evaluation team will be taken into consideration in evaluation of both the firm and personnel experiences.
